COMMENTS: Daniel L. Dysart request a waiver and states the following: As you know, his campaign account is managed by a committee in order to comply with Judicial ethics requirements. As such, the report which was 5 days late, was provided by his committee Finance Chairman. Due to issues brought about by the Covid- 19 pandemic, his office was working remotely and understaffed due to those issues. As a result, the report was inadvertently overlooked. His committee has not missed or been late for a report in the 10 years since he was elected Judge. Also, this term he was elected without opposition and did not have any fundraising activity. His campaign is still in debt from the 2010 election.

*RE: Daniel L. Dysart
Late Fee Assessment 11-32020 Election*

Dear Board Members:

I am hereby requesting a waiver of the above referenced late fee assessment in the amount of \$500 due to a 5 day delay in filing the report. As you know, my campaign account is managed by a committee in order to comply with Judicial ethics requirements. As such, the report which was 5 days late, was provided by my committee Finance Chairman. Due to issues brought about by the Covid-19 pandemic, his office was working remotely and understaffed due to those issues. As a result, the report was inadvertently overlooked.

My committee has not missed or been late for a report in the 10 years since I was elected Judge. Also, this term I was elected without opposition and did not have any fundraising activity, as you can see from the report.

Accordingly, I hereby respectfully request a waiver of the assessment. My campaign is still in debt from the 2010 election. Thank you for your consideration of this matter.

Sincerely,

Daniel L. Dysart
